

Native Way Watersports

P.O. Box 30340 SMB
Georgetown, Grand Cayman
(345) 946-8656

April 5, 2008

Mr. George Hobbs
West Bay, Grand Cayman
Cayman Islands

Dear George,

It is with regret that I must advise you that we will not be renewing your work permit. Your current work permit ends on April 24, 2008. This decision was based in large part on the fact that we are expecting business to become increasingly slow over the next six months. As you probably know, Princess Cruises, the one company that we have a contractual relationship with, will not be visiting Cayman for several months, after April 8.

During your tenure with us as Photographer, you produced many exciting, high-quality pictures. We are confident that your experience and obvious talent will be assets in your next business venture.

Best wishes on your future endeavors.

Sincerely,

Eldon Ebanks
Managing Director
